

### **Remarks**

Applicant thanks the Examiner for a Notice of Allowance in this matter. Applicant appreciates the Examiner's time and efforts with respect to the Examiner's Amendment made to independent claim 1, which is shown in the Notice of Allowance dated September 22, 2009.

However, it appears that some errors have inadvertently been incorporated into the amended claim 1 as shown in the Notice of Allowance (page 2). The errors showing in the amended claim 1 include language that was previously stricken from the claim in the Response to Office Action dated May 26, 2009.

Accordingly, Applicant herein amends independent claim 1 to reflect the amendments made in the Response to Office Action dated May 26, 2009, and further incorporating the Examiner's Amendments made September 22, 2009. The amendments made herein are in compliance with 37 C.F.R. 1.312.

Applicant respectfully requests that the amendments be entered into the record, and the instant application maintain its allowance.

### **Conclusion**

If any issues remain that prevent issuance of this application, Applicant respectfully requests the Examiner to contact the undersigned representative to resolve the issue. Please call or email me at your convenience.

Respectfully Submitted,
